

Gentlemen:

I have been informed that the Sinclair Broadcasting Group intends to require their stations to air a program entitled "Stolen Honor" about two weeks before the presidential election. This appears to be a blatant misuse of the public airwaves for partisan political purposes.

This programing would not be in the public interest and appears to be a violation of the law.

As a citizen, I expect the FCC to uphold the law and to assure that the public air waves are used in the public interest. Thank you.
